Synopsis of Preceding Chapters.

Merton Balfort, of Putnam's division of the Continental Army, starts on an important mission to General Washington, along the Hudson river road, when he encounters a coach which has just overturned. He finds a lovely girl i distress and escorts her to an inn. There he encounters a drunken British officer, with whom he fights a duel. The officer is wounded and his friends make ready to avenge the injury. girl, who reveals her identity as Deborah Philpse, steps in when the drunken crowd accuses Balfort of being a spy and says she is his sweetheart. The drunken ruffians insist upon a mar riage ceremony and push forward one of their number, who performs it.

CHAPTER IV. AS TO THE MOODS OF A MAIDEN

We had been walking the horses slowly good hour northward, for I had no choice but to get on with my journey. The rain Boston at one fare for the round trip, had stopped, and the first light of a September day began to show up over the highopen to all and is given on account of the land to the eastward. Not a word had we said since getting well started. I for one had more to think than talk on, and the girl was too wearied to do more than sit on south into Texas, thus entering the ter- in her ungainly saddle, while I led her

Heaven knows, I am no poet and never was, but the break of that day was a beautiful thing to see. All the earth was wet country, and here and there a sight of the big river. And all the little noises of the morning-the insects, the birds-kept up a singing and a wheezing and a droning that would make the heart bound within you.

Then would come a little more light, and the trees would separate and stand up of in a congestion and to relieve this the themselves, and you could tell houses from sand banks. And from a strange and ghostly whiteness there came a big red that I will do what I see fit to do, and will be made beneficial to the Vanderbilt lines. glow like a sunset, but still never was that not do what neither God nor man should The volume of both freight and passen- At Akron the road will connect with the light at setting sun. RAINS BRING BRIGHT PROSPECTS FOR FUTURE BUSINESS.

Even the Abnormally High Range Prices Is Expected to Be Broken-Grain Markets Are Better.

The recent rains have given an entirely new aggeration. As expected, with the coming of Spices-Pepper, 17c; alispice, 15@18c; cloves, summer weather, some lines of trade grew more 15@18c; cassia, 15@18c; nutmegs, 50@60c per lb. quiet, but it is no more so than usual; in fact, merchants speak of trade as being very satisfactory in all lines, the only drawback to business being the high range of prices on several lines of goods, and, unfortunately, such lines as come into general consumption, more especially meats. The rains, however, will soon bring down prices of meats as pasturage improves. Most lines of groceries and flour continue to sell at reasonable prices, and this does much toward bettering the situation. The poulegg and butter markets continue at a high range-such prices as have not been realized in many years; in fact, never before in the So long as receipts are no heavier and the demand so active, present prices | 2-hoop pails, \$1.40@1.50; double washboards, \$2.25 are likely to prevail. The financial situation @2.70; common washboards, \$1.50@1.75; clothescould hardly be better. Tax paying time is over, bills are well paid up, money is plentiful, and though many lines of goods are sold on close margins, merchants are enabled to profit by doing business, and so promising are crop prospects and so busy are manufacturers that business men are disposed to look on the bright side

Indianapolis Grain Market. The week closed with steady, firm prices and a good demand for all cereals and receipts the largest of any day of the week. Track blds,

as reported by the secretary of the Board of Trade on Saturday, ruled as follows: Wheat steady; No. 2 red, 81c track; No. 2 red. Sic on milling freight; No. 3 red, 77@79c track; | painted, \$3.10. wagon, 81c. Corn firm; No. 1 white, 66c; No. 2 white, 66c; No. 3 white, 66c; No. 4 white, 62@64c; No. 2 white mixed, 64%c; No. 3 white mixed, 64%c; I cried, and forthwith drew out from my No. 4 white mixed, 60%@62%c; No. 2 yellow,

No. 3 yellow, 65c; No. 4 yellow, 61@63c; No. mixed, 64%c; No. 3 mixed, 64%c; No. 4 mixed, 60%@62%c; ear, 64%c. Oats steady; No. 2 white, 45@451/2c; No. white, 441/2@45c; No. 2 mixed, 44@441/2c; No. mixed, 431/2@44 Hay steady; No. 1 timothy, \$12.75@13.25; No. timothy, \$11.15@11.75 Inspections-Wheat: No. 2 red, 1 car. No. 2 white, 6 cars; No. 3 white, 23; No. 2 white mixed, 1; No. 3 white mixed, 1; No. 3

yellow, 3; No. 3 mixed, 4; no grade, 2; ear corn, 3; total, 43 cars. Oats: No. 2 white, car; No. 3 white, 1; No. 2 mixed, 1; total, 3 cars. Hay: No. 1 timothy, 2 cars; No. 2 timothy, 1; No. 1 clover, 1; No. 1 prairie, 1; total, 5 cars. Total receipts, 52 cars. WAGON MARKET Offerings on the wagon market were light,

as has been the rule all the week, and as a consequence sellers have been able to secure good prices for their offrings, prices throughout the week remaining practically the same. As reported by the wagon weighmaster they were as follows: Corn-65@75c per bu Oats-44@48c per bu.

Hay-Timothy, choice, \$13@14; mixed, \$10.50@ stock, \$3. 14.50; clover, \$9@10, according to quality. Sheaf Oats-\$12@13 per ton. Straw-\$5@6, according to quality.

Fletcher lectured on Martinique me in the face, answered: a rebel.' C. B. Gorsuch has been appointed train-

ing within myself that turned me back in my saddie and put out the brightness of So again we rode on for a space.

"You do not ask me why I am in this dreadful country alone and at such a time,

"No, mistress, I do not. But I would ask another question if you should choose to permit it."

"And what may it be?"

"No other than where are you going"

For a moment she looked at me with that glint in her eye, and then burst into as merry a fit of laughter as it has been my lot to hear. I looked at her in amazement,

not unmixed with irritation, and off she went in another ripple, till I had nigh broken forth into more remarks that would doubtless have called down other sarcasms. 'Tis no doubt most ludicrous," said I at length, somewhat bitterly, "but I have

not yet discovered that side of it and cannot join your humor." "Oh, can you not, indeed?" she laughed. 'Could you but look on your face at this moment you'd discover soon enough." "I do not see what my face, ludicrous as

it may be, has in common with the end of your journey." 'Why, I am traveling with my-" I turned quickly upon her and she stopped and flushed as red as the morning

sun but a couple of hours ago. "I-I am going to a place just above here," she stammered with a sober face. 'And I would tell you, sir, in order that you may not misjudge me, that I have run away from home because--' "Because-?" said I, in spite of myself,

for I should have asked hours ago had I "Because I chose to." she answered, and then, turning two eyes on me that boded no good in them to those who crossed her, she went on, sitting straight up in the old saddle; "because they will learn some day

first white light of the sun pitch against if she had one, than I did before her rethe cliffs, catch the trees above us and ply, but I would no more have asked at men come dropping around us on the wet | that moment for definite information than der big maple by the roadside. So I held my peace, and she sat there astride her "'Tis a very fine day," said a strange horse with her head up and the glance of a

She was going to some place about here. Then I could get on my way and attend to my mission. That was what I wanted, no doubt. It would be a lucky thing for me to get my mind on my work and carry it As for myself, I was too worn out, too un- through. I was, of course, pleased at this, certain as to my next move to see aught and a load was lifted from my shoulders. "Why do you look so glum?" said she. "Do you perhaps take their side?" "God forbid, mistress!" said I. "They"
